

## About Us

We aim to make St James a church where you can feel at home. We have a wide range of activities and groups for all ages, providing numerous ways for everyone to engage in the life of the church.

Whilst serving the villages of Fulmer and Gerrards Cross, we are committed to being a church for the wider community, and wherever you are living you are very welcome at St James.

On a Sunday there is a choice of services in various locations around the parish, including our two church buildings, both called St James, and in the Memorial Centre in Gerrards Cross.

The Saint James Centre, behind the church building in Gerrards Cross, is open from 9.00am-5.00pm every week day and from 9.00am-1.00pm on Saturdays and will be able to provide you with information that you may require in order to become involved or join any of our activities.

You can also browse our bookshop, arrange to meet friends, or just drop in for a chat with the welcome team.

Alternatively, you can phone on 01753 883311 or contact us through the website.

In everything we do as a church we want to be a place where people can make friendships, explore the Christian faith and find support and encouragement for life - whatever stage you are at.

We place a high emphasis on discovering God's purpose through Bible teaching, worship and prayer.

We very much look forward to you joining us.
