Child and Adult Protection Procedure

All concerns regarding a child or vulnerable adult being at risk of harm should be reported to the Parish Safeguarding Officer (PSO) and/or Incumbent as soon as practicable, and the person with concerns should make an accurate record (writing exact words used) of what was said or happened. The Incumbent or PSO will then take advice from the Diocesan Safeguarding Advisor (DSA) or Local Authority Services. *If the incumbent is implicated the DSA will be informed directly as soon as practicable.*

If there is concern that a child or vulnerable adult has been harmed, immediately inform the PSO or Incumbent or DSA and agree who will make the referral to Local Authority Services.

If none of these are available and there is concern that a child, young person or vulnerable adult has been harmed as a result of abuse and urgent action is needed:

1. Make an immediate telephone referral to the Local Authority Services (or Police). Make it clear from the first point of contact that you are making a child or adult protection referral.
2. Describe the event or disclosure and give information about the child and family or adult for example the child/adult's name, date of birth, address, telephone number and GP if known.
3. Advise the PSO or incumbent of your actions as soon as practicable providing relevant information & Local Authority Services personnel or Police contact details.
4. Remember that the child and family should, wherever possible, be informed about and consent to the referral ***unless this would put the welfare of the child or vital interests of the adult who may be vulnerable, or another person at further risk.*** *If you have serious concerns, the absence of consent should not prevent a referral.* The Duty Social Worker will give you advice over this if necessary.
5. Be prepared to have further discussions with the social work team or the police investigation team. Say if you do not want your details disclosed to the family.
6. For out of hours referrals, call the relevant out of hours Local Authority Services Emergency Duty Team or, where urgent, the Police.
7. The PSO or incumbent will consult/inform the DSA accordingly.

Do not delay the referral. Clergy and Diocesan Advisers are NOT authorised to investigate any allegations and must never attempt to do so. Only the Police, the Local Authorities and the NSPCC are granted such powers in law.

Most situations are not emergencies.

In all these principal policies and procedures, we will follow statute, guidance and recognised good practice as detailed in the [Safeguarding e-manual | The Church of England](#) and [Policy and practice guidance | The Church of England](#)
