

Organist / Music Director (Part-time)

Saint James, Fulmer (Archdeaconry of Buckingham)

Saint James, Gerrards Cross & Fulmer is a growing evangelical parish with two church buildings in South Buckinghamshire. We are passionate about proclaiming the gospel of Jesus Christ.

Saint James Fulmer is situated at the centre of the village of Fulmer with about 500 residents. We are a church family of around 100 adults with a weekly, traditional organ-lead service. We also have a monthly spoken BCP service with the Lord's Supper.

Our congregation comprises people from a variety of backgrounds and ages, united in Christ, with a shared desire to reach our village and the wider area with Jesus's saving grace. Our Sunday services are warm and hospitable. We want to maintain our traditional roots and develop broader selection of hymns and songs to better reach the next generation of worshippers.

We seek a musician and music director who:

- will be a confident organist (ability to play other instruments would be an advantage).
- has experience in leading a congregation in musical worship
- will lead the music at our 11.15 am service, and will recruit and develop a choir and lead choir rehearsals (with music ranging from traditional to more modern hymns)
- has good interpersonal skills in working with a range of ages and varying musical abilities
- will help us to develop a music group that will engage young people and the young at heart.

We offer:

- an exciting opportunity to help shape this season in our church's life in Fulmer
- a commitment to Sundays and Christian Festivals (Good Friday, Easter Sunday, Christmas services), annual Memorial Service, plus resourcing and preparing for services, additional rehearsals, events and occasional Fulmer ministry team meetings as required
- a close and collaborative working relationship with the Minister for Fulmer and other service leaders
- a two manual Phoenix organ ([details here](#))
- potential additional income in playing the organ at occasional weddings and funerals

For an initial informal conversation, and details of how to apply, please contact Revd Jill Roth, Minister for Fulmer, on 07835 309716 or jill.roth@saintjames.org.uk.

Closing Date for applications: 30 April 2023.
